RE: South Carolina Medicaid ID Requirement

Dear Pharmacy Provider,

All pharmacies contracted to adjudicate claims for the WellCare of South Carolina Medicaid pharmacy network must have a valid South Carolina Medicaid Provider ID number issued by the South Carolina Department of Health and Human Services (SCDHHS).

In order to comply with this SCDHHS policy and to better monitor the providers and the care of our Medicaid members, WellCare will institute the SCDHHS requirement that all pharmacies must be enrolled and active with SCDHHS as a credentialed pharmacy.

Effective November 1, 2014, Catamaran, our contracted pharmacy benefit manager, will deny payment of retail pharmacy claims for pharmacies that are NOT enrolled as a South Carolina Medicaid Provider.

For information about provider enrollment and to download an application, please visit the South Carolina Department of Health and Human Services (SCDHHS) website at:

If you have any questions or need assistance in completing the enrollment documentation, please contact SCDHHS Office of Operations at 803-898-4614.

Please contact the WellCare Pharmacy Provider Services help desk at 1-888-588-9842 if you have any questions related to this message.
