

10/3/14

PLAN NAME: Empire BlueCross

UPDATE

Plan Sponsor:	Empire BlueCross	Geographic Area:	New York																		
Effective Date:	November 3, 2014																				
Announcement:	Effective November 3, 2014 for Empire BlueCross members, Bayer products will move to non-preferred status and Nipro Diagnostic products will assume preferred status. Affected members and providers will receive letters prior to this change. • When processing claims for meters, submit the National Drug Code (NDC) provided below. Claims for meters should be processed directly through the manufacturer using the BINs and PCNs provided below. There is a maximum of one free meter per member every 18 months. Members can also have a free meter delivered to their home by calling 1.866.788.9618. • When processing claims for test strips, submit the NDC provided below. Claims for test strips should be processed through the member's Medicaid benefit. • All other brands of meters will require prior authorization (PA) after November 3, 2014.
