

September 25, 2014

Dear Pharmacy Provider,

The purpose of this letter is to notify you that effective September 29, 2014; **PerformRx** in coordination with **AscellaHealth**, will be providing pharmacy benefit management services for **Heritage Health Solutions**. All claims processing will be through Emdeon and governed by the terms and conditions of your PerformRx Participating Pharmacy Agreement. The fee schedule for this Plan is the same as the fee schedule in your national agreement(s).

Please be sure to program your system with the new processing information below for **Heritage Health Solutions** by September 29, 2014.

Program	BIN#	Processor Control Number	Ascella Health Pharmacy Help Number
Heritage Health Solutions	017522	HH	1-877-962-4333

Please see the attache payer sheet. To access the payer sheet on the web, please go to:

www.ascellahealth.com

If you have general questions regarding your continued participation in our expanding network, please feel free to contact PerformRx's Network and Contracting Department at 1-800-555-5690. Your participation in the PerformRx Network is valued.

Sincerely,

Mesfin Tegenu, MS, RPh
President
PerformRx
