**Blue Cross and Blue Shield of Minnesota, Blue Plus and BlueLink TPA
Compounded Medications Prior Authorization Program**

October 22, 2014

Dear Valued Provider,

Effective November 1, 2014, Blue Cross and Blue Shield of Minnesota will be adding a new prior authorization (PA) program. The Compound Medications PA Program will include compounded products containing any of the following ingredients:

Baclofen Powder
Cyclobenzaprine Powder
Diclofenac Powder
Flurbiprofen Powder
Gabapentin Powder
Ketamine Powder
Ketoprofen Powder
Ketorolac Powder

Lansoprazole Powder
Meloxicam Powder
Mometasone Powder
Fluticasone Propionate Powder
Omeprazole Powder
Testosterone Powder
Testosterone Propionate Powder
Testosterone Micronized Powder

Participating Pharmacies can review the Compound Medications PA Program policy by visiting the Blue Cross and Blue Shield of Minnesota provider site:

- Access providers.bluecrossmn.com
- Under Tools And Resources, select Medical policy, then acknowledge the Acceptance statement
- Choose View All Active Policies
- Select Pharmacy Utilization Management Programs
 - Compounded Medications

Blue Cross and Blue Shield of Minnesota Covered Persons and their prescribing providers will be notified of this change via letter.

Please be sure to communicate this information to your pharmacies to prevent any disruption of service for Covered Persons on or after November 1, 2014.

If you have any questions regarding claims processing, please contact Prime's Contact Center at 800.821.4795.
