

FPN Buying Group Affiliation Form

PBA Health is a member of the Federation of Pharmacy Networks (FPN), a national organization of independent pharmacy buying groups. PBA Health participates in some FPN contracts and collects rebates and/or administrative fees based upon PBA Health member participation. Manufacturers and suppliers, for rebate and/or administrative purposes, will only allow one buying group affiliation.

Be advised that changing your buying group affiliation may affect your eligibility for programs and rebates you are receiving from your current buying group. Contact your current buying group with any questions.
