

PLAN UPDATE For Specific Medicare Part D Plans

Effective February 17, 2015, generic for **Nexium® 20 and 40 mg capsules** became available in the marketplace; however, due to limited supply of the generic, select Medicare Part D plans adjudicating claims through CVS/caremark will continue to cover only the BRAND NAME product. The generic product, esomeprazole magnesium, will be non-formulary. Please continue to dispense brand name, Nexium®.

If claims for the generics are submitted, the following reject will occur

Reject 70 <<Product/Service Not Covered – Plan/Benefit Exclusion >>

For your information, this plan update will apply to the following Medicare Part D plans adjudicating through CVS/caremark. As a reminder, DEXILANT is also available on formulary for these plans.
