About *Elements* Magazine

Elements magazine is your channel to connect directly with independent community pharmacies across the nation.

Readers turn to *Elements* magazine to find expert business advice, to learn what's working for other pharmacies, and to discover solutions for themselves.

Every issue reaches more than 10,000 readers made up of independent pharmacy owners, managers, directors, pharmacists and pharmacy technicians.

Elements magazine is published quarterly by PBA Health, a pharmacy services organization based in Kansas City, Missouri. Issues are published in March, June, September and December.

See what our clients are saying about advertising in *Elements* magazine:

“

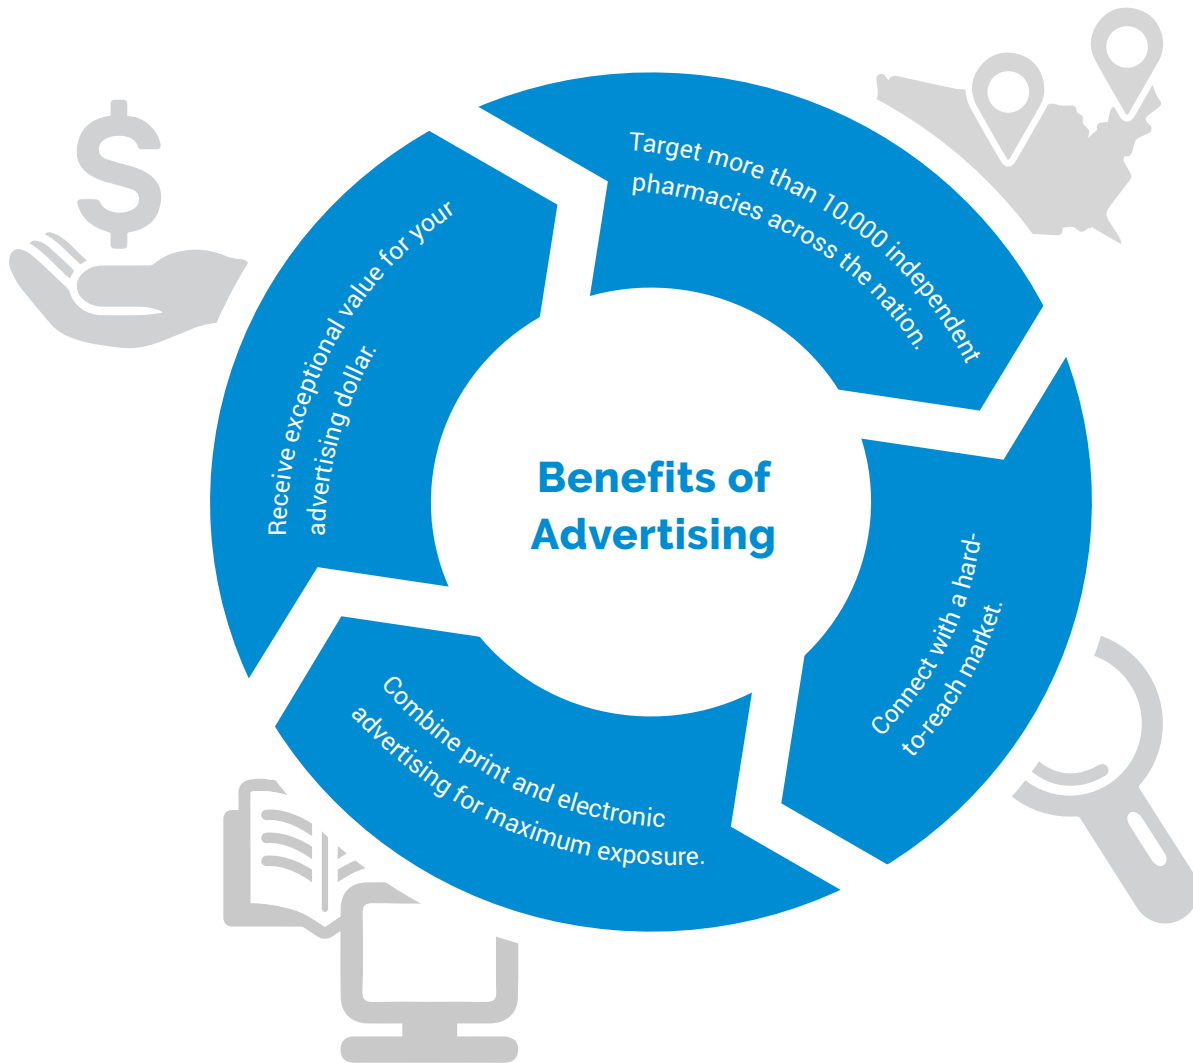

Advertising in Elements magazine has significantly increased our exposure to independent pharmacies and has generated many new customers for Return Solutions. The staff is extremely professional and easy to work with, always offering suggestions to make ads as effective as possible. The new business received from the ads we've placed makes it worth our investment.

Adrienne Vandergriff, Director of Sales | Return Solutions
